

Kick start lifesaving conversations about DRUG-FREE living

OPERATION
PREVENTION

The Drug Enforcement Administration (DEA) has joined forces with Discovery Education to create a comprehensive, NO-COST program to combat opioid misuse -- available for use TODAY in every school, home, and state in the nation. With Virtual Field Trips, Parent Resources, English & Spanish language standards aligned K-12 tools, and a national peer-to-peer video challenge, look no further to kick-start life-saving actions today.

Operation Prevention offers an expanding collection of resources for students, teachers, and parents:

Digital Classroom Lessons

Elementary, middle, and high school classroom-ready lessons and companion guides provide educators with standards-aligned tools to integrate seamlessly into classroom instruction.

Parent Toolkit

Parents can join the conversation with a family discussion guide which provides information on the warning signs of opioid misuse and a guide to prevention and intervention to empower families to take action. Now includes talking points for parents of elementary students. Available in English and Spanish.

Spanish Resources

Operation Prevention offers expanding Spanish resources, including a Spanish website, student learning module and translated parent toolkit to aid families with their discussions about opioid misuse and prevention.

Video Challenge

This contest encourages students to send a message to their peers about the dangers of prescription opioid misuse by creating a 30-60 second original Public Service Announcement to win up to \$10,000. The 2018 Video Challenge will launch November 2017.

On Demand Virtual Field Trip

Take students on a virtual journey, where leading experts provide the unfiltered facts on drugs and addiction. A companion activity helps start discussions in the classroom.

Student Learning Module

In this self-paced, standards-aligned e-learning experience, explore the science of opioid misuse through the powerful stories of teens. With strategies and resources for those being faced with a decision about prescription opioid misuse, students become better equipped to handle these experiences. Available in English and Spanish.
